**GRAND OPENING – Bellaire at Stone Port is Now Open  
Assisted Living and Memory Care Community in Harrisonburg, VA**

**HARRISONBURG, VA -** The highly anticipated Assisted Living & Memory Care Community, **Bellaire at Stone Port** opened it's doors on **March 25th, 2016** . The Cathcart Group, a Charlottesville based real estate developer announced the opening of Bellaire at Stone Port this week. Bellaire at Stone Port is a state-of-the-art assisted living and memory care community serving the aging population in Harrisonburg, Virginia and surrounding areas. It includes 64 assisted living and 24 memory care units, and three furnished models, on 4.2 acres, for a total of 88 units. Assisted living residents can enjoy selecting from a variety of unit sizes, floor plans, locations and features when making Bellaire at Stone Port Assisted Living their new home, including the option of enjoying their own “back door” to a private patio. For the protection and safety of memory care residents, the memory care units are located in a private one-story wing of the building with separate secure access points. Residents can enjoy their very own

private courtyard, and private dining room. The facility also includes state-of-the-art technology such as an emergency call system with upgraded features.

Bellaire at Stone Port Assisted Living community enjoys direct private access from the Stone Port development located just off of Port Republic and the Southeast Connector Road (Route 280). Bellaire is a short distance from the premier Rockingham Memorial Hospital. Residents and visitors have access to covered porte-cochere for easy entry into the main entrance regardless of weather conditions. A separate, private entrance to the memory care lobby provides ease of access when visiting residents in memory care.

The community is professionally managed by Beacon Communities, from Atlanta, Georgia. Beacon's principals have over 100 years' experience in property management and senior living. David Johnston, President of Beacon Communities, says "Providing quality care to residents is our primary goal at Bellaire at Stone Port."

Bellaire at Stone Port is the finest assisted living and memory care community in the entire Harrisonburg area. "Our elegantly appointed building, and furnishings, large floor plans, private patios, and state-of-the-art technology, combined with a comprehensive set of amenities is unsurpassed in the area. Our residents will enjoy; on-site physical therapy, spa, library, beauty salon, WIFI, computer stations, card/game room, community sponsored events, café/deli and crafts area, " says Todd Dofflemyer, CEO of the Cathcart Group.
